

**The Baby 75 from Valoriani is a professional pizza powerhouse....**

**A properly commercial pizza oven available in both wood and gas-fired formats and in a tidy, compact form.**

**The Baby is robustly built, available in three colours as standard with a galvanised and powder coated steel dome.**

**The internal elements are of Valoriani's commercial grade refractory materials to ensure consistent and faultless performance over the long term.**

**If you're looking to further augment your menu offering or considering an affordable addition to your existing hospitality business, look no further.**

**For bar, bistro, cafe, restaurant, accommodation or mobile business, our Baby 75 will comfortably produce 30-40 x 12" pizzas per hour (wood-fired) or 60 x 12" pizzas per hour with gas.**

**Pizza is becoming increasingly popular.**

**It's also profitable, low risk, affordable and easily managed.**

**Not to mention breads, slow roast meats, seared veg or fabulous fish!**

**We also offer all the tools, accessories and advice required to get you going.**

**Come and visit our training and demonstration area in a relaxed and friendly environment here in Co Kildare.**

**The Baby by Valoriani is now also available in traditional mosaic tiles**
